ON24 will maintain such self-certification to and compliance with the EU-U.S. and Swiss-U.S. Privacy Shield Frameworks with respect to its Processing of Client Personal Data from the European Economic Area and/or Switzerland. If and to the extent ON24's Privacy Shield certifications are withdrawn or expire, the EU-U.S. or Swiss-U.S. Privacy Shield Frameworks are invalidated under the respective applicable laws of either the EEA or Switzerland, ON24 will execute the Standard Contractual Clauses with Client, or work with client in good faith to put in place an alternative mechanism for the transfer of the relevant Client Personal Data to the United States.

13. Deletion or Return of Personal Data

Upon the termination or expiration of the Agreement (unless continued Processing is subject to a new or amended agreement) and to the extent not prohibited by applicable law, ON24 will within 90 days (the "Cessation Date") cease Processing and delete or return the Client Personal Data. If Client does not inform ON24 of its choice of either return or deletion of such Client Personal Data at least 30 days prior to the Cessation Date, then Client will be deemed to have chosen deletion. The parties agree that ON24 is not required to return or delete any Anonymous Data at the conclusion of the Agreement.

- 15.5 Changes in Data Protection Laws. If any variation is required to this Addendum (including the Standard Contractual Clauses) as a result of a change in Data Protection Law, either party may provide written notice to the other party of that change in law. The parties will discuss and negotiate in good faith any necessary variations to this Addendum to address such changes.
- 15.6 Severance. Should any provision of this Addendum be invalid or unenforceable, then the remainder of this Addendum will remain valid and in force. The invalid or unenforceable provision will be either (a) amended as necessary to ensure its validity and enforceability, while preserving the Parties' intentions as closely as possible or, if this is not possible, (ii) construed in a manner as if the invalid or unenforceable part had never been contained therein.
